DETAILED ACTION

Allowable Subject Matter

1. Claims 7-12 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. Claim 7, applicant's invention combination including: a card connector comprising a slider which is longitudinally normally attached to a case forming a card insertion space, the slider being to be pushed by a card which is inserted into the cam insertion space, to be moved from a standby position to a pushed position corresponding to a card set position, the slider being resiliently urged at the pushed position in a direction ejecting the card and a cam mechanism having functions of locking the slider to the pushed position and canceling the locked state where the slider is locked to the pushed position. A cam body disposed on another one of the case and the slider and comprising a loop groove into which an engagement end of the engagement pin is relatively displacement fitted.
4. Nishioka among other difference does not disclose all limitations of claim 7 as discussed above, therefore, does not meet claim 7 limitations which are basic to the invention, nor would inclusion of such feature be an obvious change.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
